New Activities for Summer 2010

In summer 2009 we added T-shirt printing, graffiti art, boxercise and cheerleading workshops to the wonderful array of activities on offer to our students. As we constantly strive to improve the quality and standards of our courses we plan to add 4 new activities to our programme for Summer 2010. Next summer we will offer modern dance, cricket, head massage and makeover workshops

HOW GOOD IS OUR SUMMER SCHOOL?

"I have worked with St. Andrew's College Summer Schools for 6 years now and the experience has always been amazing! Students enjoy the morning lessons due to the staff's professionalism and their capacity to engage with the students from different nationalities. They absolutely love, the afternoon and night activities, with a never-ending range of offers to choose from, in which they can practice English in a specific context. Nevertheless, above all, the best aspect of St. Andrew's College Summer Schools is the people who make it work, who transmit the authentic welcoming Scottish nature to all, students and leaders."
E Bueno Galan – Spanish Group Leader
