Ayr Campus

Located on the West Coast of Scotland. The town is set among some of Scotland's most impressive scenery and looks out on of the Firth of Clyde, with the peaks of Arran in the foreground and the Mull of Kintyre in the background. Packed with historical sites, Ayrshire's visitor attractions and cultural and leisure pursuits include unspoiled beaches and rolling hills, castles, a racecourse and, of course, golf courses.

The town also offers a thriving collection of shops, cafes, bars and restaurants meaning you won't be short of something to do in Ayr. Ayr has increasingly become student-focused, offering excellent student amenities, shops and entertainment. Ayr provides a rare combination of relaxation and liveliness, an excellent environment in which students thrive.

Opened in September 2011, UWS's £81 million riverside campus development in Ayr, is just 10 minutes' walk from the town centre. The campus design was inspired by the area's woodland surroundings and offers students a stunning space for study. The campus boasts fantastic student accommodation composed of 200 ensuite bedrooms grouped in student flats with shared lounge, kitchen and dining areas and with communal lounge and laundry facilities.

- Remain calm
- Leave the residence by the nearest exit and proceed to your assembly point (these will be shown at induction).

Accidents and Emergency Procedures

Accidents: A code of Practice

- When an injury or accident takes place within campus, contact a member of staff for first aid assistance.
- The member of staff will assess the situation and make a decision as to any medical treatment and/or requirement for an ambulance.
- It is St. Andrew's College Language Schools responsibility to contact the emergency services.
- Following the treatment of the injured person(s) an accident report will be completed.

Emergency Services

- The emergency services are the police, ambulance service and the fire service.
- In an emergency where there is danger to life or there is a crime in progress you can call 999 and ask for help.
- Calling 999 is free of charge.
- The person taking your call will ask you questions to try to assess the situation. Try to answer the questions as calmly and fully as possible.

Safety

Scotland is a safe environment and you should feel able to go out and about without fear however, as in most countries you must use your common sense and be aware of your surroundings, particularly at night.

Here are some helpful tips:

- Walk on the pavement facing oncoming traffic. When crossing the road, remember that vehicles drive on the left in the UK so they will be coming towards you from the right.
- Don't carry lots of money with you when you are out.
- Always keep your bag and jacket with you.
- Avoid confrontation - it's better and safer to walk away if you are provoked or hassled.
- Be alert and brief when using a mobile phone and try to conceal it.

Scottish Laws

The laws in the UK may be different from those in your home country. This especially applies to the use of tobacco, alcohol and self-defence sprays.

- You must not carry drugs with you of any kind (unless prescribed by a doctor), or use any illegal drugs.
- It is illegal to carry any sort of weapon.
- You must be 18 and over to buy tobacco.
- You must be 18 and over to buy alcohol.
- Never buy items that you think might be stolen, no matter how tempting the bargain.
- It is an offence to falsely report the theft of property.

Positive Behaviour Policy

The St Andrew's College Language Schools Directors accept this principle and seek to create an environment on campus which encourages and reinforces good behaviour and effective learning environment.

Aims

- To create an environment which encourages and reinforces good behaviour.
- To define acceptable standards of behaviour.
- To encourage consistency of response to both positive and negative behaviour.
- To promote self-esteem, self-discipline and positive relationships.
- To ensure that the St Andrew's College Language School's expectations and strategies are widely known and understood by staff, students and group leaders.
- To encourage the involvement of all parties in the implementation of this policy.

STANDARDS OF BEHAVIOUR

In seeking to define acceptable standards of behaviour it is acknowledged that these are goals to be worked towards rather than expectations which are either fulfilled or not. The students bring to our Language courses a wide variety of behaviour patterns based on differences in home values, attitudes, and ethnicity. St Andrew's College Language School staff must work towards standards of behaviour based on the basic principles of honesty, respect, consideration and responsibility. It follows that acceptable standards of behaviour are those which reflect these principles.

Smoking

The Scottish Executive introduced a ban on smoking in public places in March 2006. This includes the work place, public transport, pubs and restaurants. This complete ban means that it is forbidden to smoke in these areas and if you wish to smoke you will have to do this outside.

The UWS Campus has a NO SMOKING policy, you are only permitted to smoke in designated places in the Campus. It is illegal to buy or consume any tobacco products if you are under 18 years old.

Anyone caught smoking in unauthorized areas on the Campus will be disciplined in line with the St Andrew's College Language Schools Procedures and Policies. This NO SMOKING POLICY extends to Vaping which is also prohibited in unauthorised areas.

Complaints Procedure

St Andrew's College Language Schools defines a complaint as any specific concern about teaching-related or service-related provision. Students are advised to use the informal mechanisms for resolving such concerns before they invoke the formal complaints procedure.

Some examples of the kinds of teaching-related or service-related problems that might arise are:

- Problems with delivery of teaching. This might include inadequate teaching, undue delay in the return of homework, unhelpful feedback.
- Problems with staff/student relations. This might include harassment or inconsistent treatment of students.
- Problems with service delivery. This might include failure to meet promised service levels for example in catering, heating or computing.
- Problems with the provision of resources. This might include overcrowding in teaching rooms.

Stage 1 (Informal)

We try to resolve any complaint informally at the point at which the problem arose. Many apparent concerns arise from misunderstandings that can quickly be resolved by talking through the matter. If possible you should firstly:

- call in and see the appropriate member of staff. The Welfare co-ordinator is on hand on a daily basis and will be able to help you.

If you would rather talk informally with senior member of staff within the School, you can contact the Centre Manager where your request will be dealt with as soon as possible.

Stage 2 (Formal)

If you feel unable to approach the School or Service directly involved in your complaint, or you consider that the matter has not been satisfactorily resolved, you should complete a Complaints Form available from the Centre Managers Office.

The Welfare co-ordinator will be pleased to offer you advice in completing the form.

The completed complaints form should then be forwarded to the Director of Operations who will investigate your complaint with the appropriate employee.

A response will normally be sent to you within 3 days. If you are unhappy with the response to your complaint, you will have the opportunity to request an informal meeting with the Managing Director (or nominee).

(For full policy contact the Director of Operations.)

Abusive Behaviour Policy

What is Abusive Behaviour?

Abusive Behaviour is when people deliberately hurt, harass or intimidate someone else.

- being called names
- being teased
- being punched, pushed or attacked
- being forced to hand over money, mobiles or other possessions
- getting abusive or threatening text messages or emails
- having rumours spread about them
- being ignored or left out
- being attacked because of their religion, gender, sexuality, disability, appearance, ethnicity or race.

If you are a victim of Abusive Behaviour

You shouldn't feel ashamed. It's not your fault - but it is important that you get help. If you're being bullied at St Andrew's College Language School, ask someone (such as a teacher, Welfare Coordinator or Group Leader) to tell you about the school's guidelines on Abusive Behaviour.

St Andrew's College Language Schools Ltd has a written policy on Abusive Behaviour, and this is in place to ensure the health and safety of all students studying with us.

Every member of staff is on hand to ensure that you are happy in your studies and in your everyday life at St Andrew's College Language Schools.

People you can talk to:

- | | |
|-----------------------|---------------------|
| Katie Murray | Welfare Coordinator |
| Alex Waddell | Centre Manager |
| Rachel Wallace | Activity Manager |

If you do not think you can talk to any of these people talk to a friend or your group leader and they can discuss the matter with St Andrew's College Language School Staff, who will ensure that the problem is resolved quickly.

Your happiness, enjoyment and safety is very important to us all. We will do our best to make your stay with us very memorable.

English Language

The language spoken throughout Scotland is English. Some Scots people speak with quite a strong Scottish accent, which you will get used to after a little time. Never be afraid to ask if you do not understand what someone is saying to you and try to use your spoken English as much as possible. People are usually more than happy to help and you will soon learn new phrases and expressions and even begin to use them yourself.

Local Customs

Scotland is an informal country and there are very few customs which you need to be aware of. The best way to adapt to your new environment is to talk with other international students having the same experiences. A few of the customs worth mentioning are:

- forming a queue when waiting for a bus or for service in banks or shops and
- using the words "please" and "thank you" when you ask for or receive goods or help.
- it is considered good manners to be on time for appointments or when meeting people. If you find you are going to be late, try and let them know.
- you should also let someone know if you are unable to attend a class or keep an appointment.

Shopping and Working Hours

Shops are usually open from Monday to Saturday, 09.00 to 17.30, although many shops also open on Sundays, particularly in the town centre. Most supermarkets are open every day, usually until 20.00 or 21.00 on weekdays and Saturday evenings, and many other shops open late on Thursday evenings.

Telephones

Pay Phones are available in both Halls of Residence. Mobile phones are the most convenient way to communicate, though they can be expensive. Use of prepaid phone cards (bought at newsagent shops) for international calls charges your mobile at a local rate and this may be cheaper than making the international call directly on your mobile.

Postal Services

Stamps can be bought at post offices and at most newsagents. To send a standard letter within Europe, a stamp would cost approx. £1.50. If you wanted to send a letter anywhere else in the world it would cost a bit more. Post Offices will be able to advise you on the exact cost of sending letters and parcels overseas. Post boxes are bright red and have 2 to 3 collection times a day, which are clearly marked on the box. There is a post box in reception.

Electricity

The British electricity supply works on 240 volts / 50 cycles so if you are bringing any electrical goods with you, please make sure you can use them safely on this voltage or use a transformer. Most buildings have sockets for 13 amp square pin fused plugs. A 3 amp fuse (red) is needed for stereo equipment, clocks etc and a 13 amp fuse (brown) for heavier domestic equipment such as hairdryers. Adaptors for plugs are sold at most electricity shops and large department stores.

Money

Britain's decimal currency is based on the pound sterling (£) which is divided into one hundred pence (100p). Coins are issued up to and including the value of £2.00 (1p, 2p, 5p, 10p, 20p, 50p, £1.00, £2.00). In Scotland, you may also still find a few £1 notes but most have now been replaced by the £1 coin. There are also £5, £10, £20, £50, and £100 notes.

Religion and Religious Services

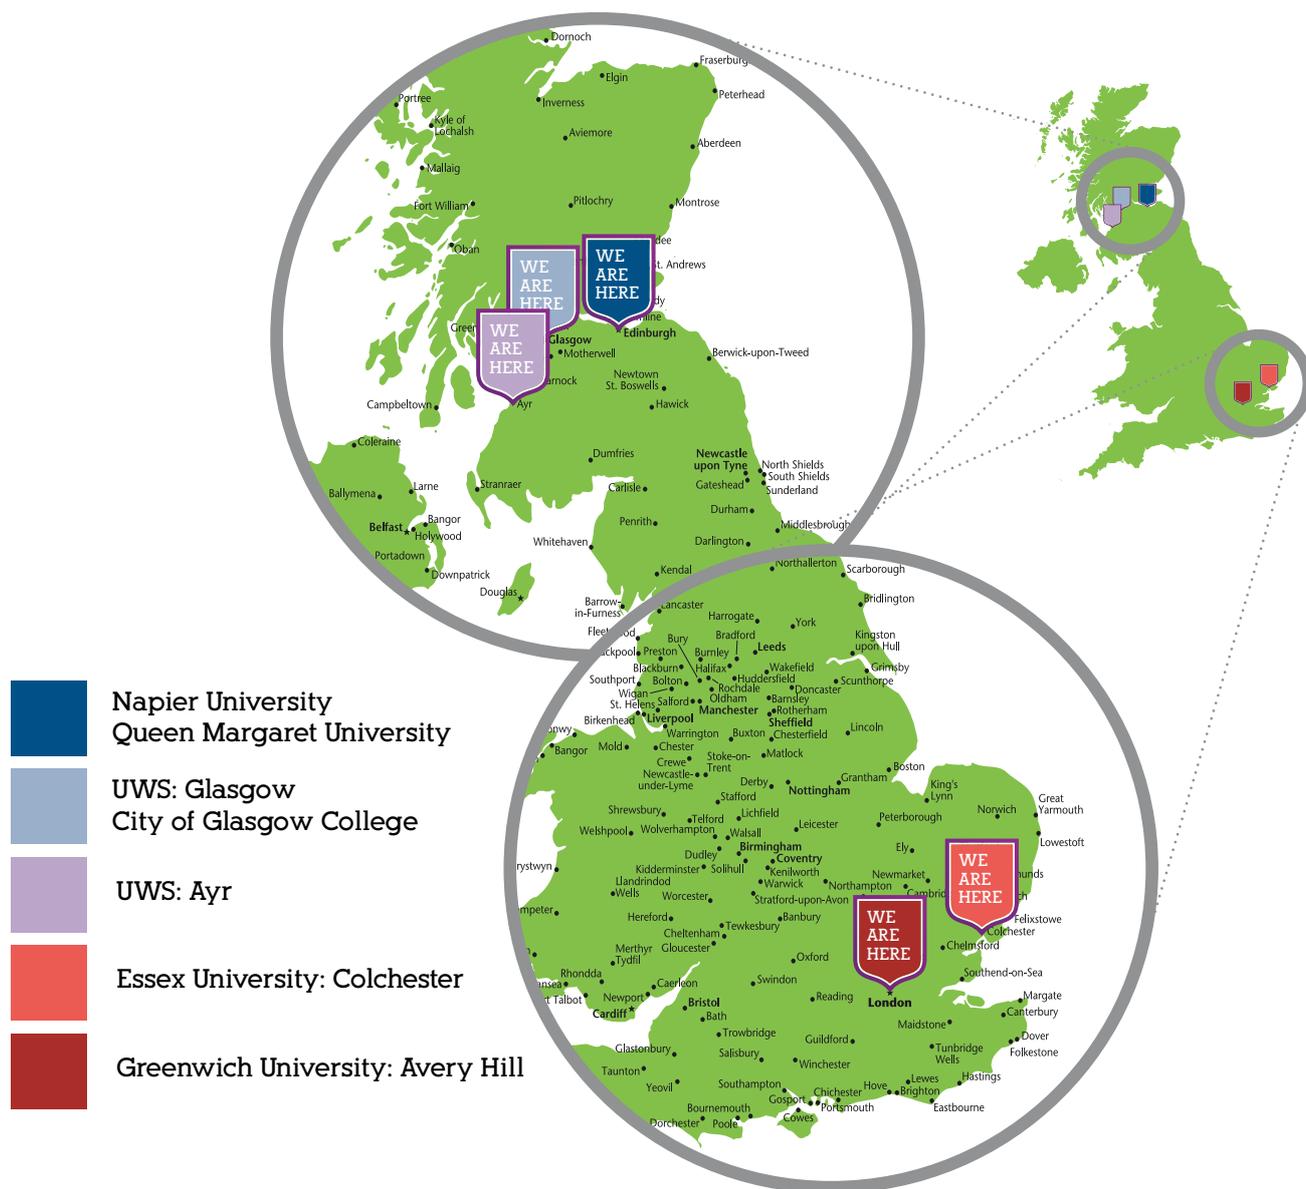

There are a large variety of religions and faiths represented in Scotland. As well as many Protestant denominations, there are Roman Catholic and Episcopal churches, and Glasgow has a Synagogue and Mosque, as well as Hindu and Sikh centres of worship. A prayer room can also be provided on campus for Muslim students. This room is situated in 2.069 - which is along past the students union and faces the Gym hall.

Weather

While the weather in Scotland is variable, we rarely suffer extremes of heat or cold. Between May and September the climate is generally warm and sunny, although rainfall can occur throughout the year. A Waterproof jacket is advisable. There are many shops in Glasgow which sell clothes at reasonable prices. Suitable clothes can be found in many shops in Glasgow city centre.
